

King Cake Blessing

Loving God, your star showed people from all nations the way to Jesus. The Magi came to Bethlehem to adore Him on the Twelfth Night, the feast of the Epiphany. Please Bless this king cake which symbolizes the unity of all Christians by its oval shape.

Let the color gold stand for the power of Jesus in our daily lives, the color green reflect our unending faith, and the color purple stand for the justice we will try to bring to the world around us. In your name, we pray.

Amen
