

Dear families,

Jr High PSR will be entirely at home this school year; we will not host any classes on campus. I am sorry.

Please visit the link below to download class materials. You will see a schedule and two semester planning guides. Each planning guide has six meetings/classes, and together they complete your teen's religious education requirement for this year.

I created a video to explain these materials; there is a link below. It will start you right before the four-minute mark.

I'd like to know if any of you are interested in parent catechesis, an opportunity for me to walk you through the material and answer your questions. If you are, please email me.

Lastly, I want to invite your teen to participate in Jr High Youth Group! We host fun events once a month to help teens make new friends and grow in their faith. You can find more information on our Youth Ministries website:
