

ST. ALOYSIUS CATHOLIC CHURCH

Youth Ministry Covid Policy Revised 1.6.2022

Following Bishop Duca's [update to the Diocesan Covid-19 Policy](#) (10.26.2021) we will revise our own Covid policies. We will change these as needed.

Overview

Due to the current and ongoing public health concerns, St. Aloysius Catholic Church Youth Ministry will require adjustments to the way it is traditionally administered by all members of our community. As the state of the public health changes so may these policies.

COVID-19 Symptoms

Anyone experiencing symptoms of COVID-19 as defined by the CDC should stay home and seek medical care.

Face Coverings

Both adults and teens are required to wear face coverings. We will not tell someone to remove their face covering.

Hand Sanitizing

Hand Sanitizer will be available at every event. Everyone will be invited to sanitize their hands upon arrival.

Health Screenings to Enter Campus

St. Aloysius' facilities are sanitized regularly; you may contact Facility Manager Ronnie Haliburton to learn more:
rhaliburton@staloysiusparish.com

Sending a teen to any event confirms that the teen is in good health. Therefore, it is expected that parents perform a personal health screening prior to attending any event.

Illness While on Campus

ST. ALOYSIUS

CATHOLIC CHURCH

Any teen identified as having symptoms related to COVID-19 will be isolated and must be picked up immediately by a parent/guardian.

COVID-19 Positive Tests

In the event a teen or adult tests positive for COVID-19 within 48-hours of having attended a youth ministry event, the parents and/or adult must notify MacDougall Womack immediately.

Anyone who has been in close contact with someone who tests positive for or is diagnosed with COVID-19 may not attend a youth ministry event until 10 days after the date of exposure (date of last close contact + 10 days).

During a period when students are quarantined from attending school, they are also quarantined from attending youth ministry events.

Social Distancing

We are no longer mandating social distancing. We are happy to respect and support anyone who wishes to follow social distancing.

Questions

If you have questions or suggestions about the way our youth ministry programs are addressing Covid please contact MacDougall Womack: mwomack@staloyusparish.com
