Our Challenge

Dear friends,

The prophet Isaiah pictured the presence of God as a light that shone on the chosen people. The world around them was covered with clouds and darkness. The people of God were not to selfishly keep the light to themselves, but were to help the nations in darkness to walk in the light of the Lord. The apostle Paul unveiled the plan of God, hidden from the beginning of time, but revealed to prophets and apostles. In the fullness of time Christ came to be the Light of the world, uniting Jews and Gentiles in one body of faith, sharing the same promises. The Gospel of Matthew tells of wise men from the East who discovered the star that led them all the way to Bethlehem and the Christ child. This epiphany was a dramatic sign that the Incarnation is for all peoples and religions of the world. The gospel, like a light in the darkness, is for all. Primitive religions worshiped the sun. They were impressed with its awesome radiance and its energizing and creative power. Since earliest times light has been a universal symbol. All the world religions use light as a symbol for the divine. Our faith is unique in claiming that light has come into the world as a human person. Our world is cold and dark for so many of its inhabitants. People everywhere long for light of one kind or another. We profess Christ as the Light of the world, but do not always acknowledge our responsibility to share him with the world. Consider this irony. All things in nature seek the light. Even plants have the intelligence to turn toward the light to draw on its life-giving energy. How strange, then, that the most intelligent creatures on this earth hide from the light. We know that the light will reveal things we want to keep hidden, and will expose us for what we are. But to hide from the light is to deny the truth. We find truth and life by turning to the Light.

Have a good week!

Love and prayers,
Father Randy

Thank You from Giving Tree

Dear St Aloysius Parishioners,
Each year we come together as a Parish to offer support to several charities in the Baton Rouge Metropolitan area. The Giving Tree was started many years ago and each year that I have been involved I am amazed at the generosity of St Aloysius Parish. The organizations we supported this year were:

Prison Fellowship (Children of Prisoners), Interfaith Federation of Greater Baton Rouge Holy Grill, Joseph Home Residents, Women in Crisis Pregnancies, Myriam's House, Bishop Ott Shelter, Habitat for Humanity, Developmental Disabilities, St. Vincent de Paul – Sweet Dreams, Capital Oaks Nursing Home, Seminarians, CASA.

Each of these organizations have shared how much they appreciate the love and caring our Parish offers during the Christmas Season and throughout the year.

For this year's Giving Tree we had special helpers from grades 5th-8th under the guidance of Marla Lefevre. The students made hearts, poinsettias, glitter bells, button wreaths, Christmas trees and hand traced ornaments to help distribute the needs of the charities we support. Having the children as part of our ministry embodies the true spirit of giving from St Aloysius Parish.

It is estimated that over \$20,000 in gifts, supplies and gift cards were distributed and could not happen without the support of our volunteers and all those who chose a special ornament/s. 2023 proved to be another amazing year.

Thank you for making this year's Giving Tree a tremendous success.
